Fall 2010

## AmeriCorps VISTAS

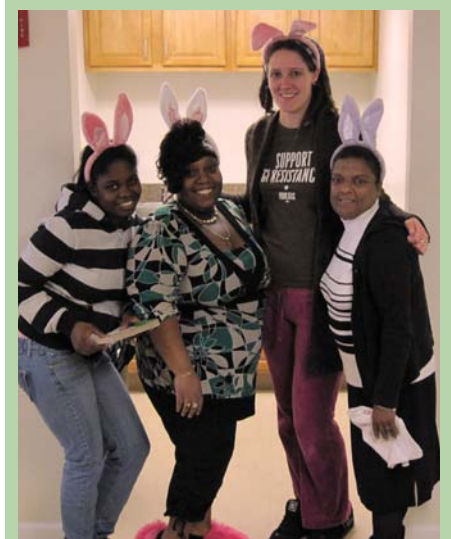

This summer NeighborWorks New Horizons was fortunate to have three AmeriCorps VISTAS help with direct service. (Left to Right) *Shabril Ghazali, Katie Haggans and Katie Renner*. With their help NeighborWorks ran a summer program for our resident's children. Recycling education was an important part of the summer curriculum and the children also enjoyed arts and crafts, cupcake making, movie and pizza nights, field trips to Lighthouse Point Park for Wacky Water Days, hikes, bowling, and trips to the Peabody and Recycling Museum.

Shah, a Sociology and Film major, goes to University of Connecticut.

Left to right ... *Libby Protzman and Melanie Pilco.*

Katie Haggans is currently completing her Master's degree in Social Work at Southern Connecticut State University graduating in May. Katie Renner, an education major at St. Anselm College plans on becoming a teacher and will graduate in May.

Libby and Melanie are NeighborWorks New Horizon's newest AmeriCorps VISTAS. Libby is a graduate of UMass Amherst and works with the Real Estate Development team. Melanie is an Ecuador native who has become a VISTA to gain work experience helping the Latino population. She is working with Foreclosure Prevention and First Time Homebuying classes.
